"Small Spaces" was the mission and we delivered! **PAR Flooring was proud to donate the flooring installation to improve the Westfield Senior Citizens Housing facility in November 2013.** The goal of the project was to show how impactful small scale design projects can be for senior living facilities, even on a limited budget. Westfield Senior Housing was the winner of a \$15,000.00 giveaway announced at the 2013 Leading Age New Jersey Annual Meeting & Exhibition. DI Group Architecture & C&C Construction Management assembled the team of professionals and PAR Flooring was selected because of our high level of professionalism; our extensive experience in the medical and adult care industry & our ongoing commitment to philanthropy by giving back to our local community. SPOTLIGHT

**WELCOME LUKE JACKSON KIEFER TO THE PAR FAMILY!
BORN NOVEMBER 21, 2013.**

"Caring is Sharing" has always been PAR's motto. **TEAM PAR has just completed our 13th Annual Toy Drive to support the Jersey Battered Women's Shelter (JBWS).** We reach out to industry partners, clients and friends to help us collect toys & gift cards to support women and children in

need. Neighbors helping neighbors... ALL of our donations stay in NJ. Small and simple acts of kindness can help improve anyone's outlook and see the New Year as an opportunity of change. **Collectively we assisted 176 families... serving 371 children. WOW!** Check out the pictures and list of "elves" that made this act of kindness happen. We applaud you all!

A picture says a thousand words... We are only weeks into 2014... Don't give up on your dreams, goals and New Year's resolutions yet! Anything worth having requires hard work, creativity and sweat equity to achieve. The old saying goes, "If at first you don't succeed, try, try, try again."
