TEAMPAR

Captain America: Civil War was bound to be an ICONIC movie. People were awaiting its release with baited breathe and as of May 22, 2016 the move has already earned \$1.053 billion dollars. Fandango announced that the film outsold all previous Marvel Cinematic Universal films at the same point in the sales cycle, and by its opening week, had reached the highest advance sales for a superhero film. So, is it the relatability of the Avenger characters, Captain America or Iron Man, the general heroism of this film or something intangible that makes this team exceptional?

What is the "Secret Sauce" of exceptional teams? TeamPAR may not be a large, iconic company but our reputation is sound. We believe that you must work together in harmony and understand that it matters that everyone on the team wins. Caring about the success of teammates is the essence --- the soul of exceptional teams. A successful team is bigger than any of its individual members. Its continual success is based on sharing the same core values and purpose. In the case of TeamPAR our shared core value is to add benefit to our client's buildings by increasing their ROI and decreasing their maintenance costs and improving the daily function of their facilities problematic areas. As educated dealers that treat each project uniquely, we believe we fulfill this goal. Lean on TeamPAR and let us share our secret sauce with you!

MEMORIAL DAY 2016

Memorial Day --- has become the unofficial kick off to summer. BBQ's, the Jersey Shore and lazy days in the pool. But before you slather on your sunscreen and head out for some well-earned sunshine, let's remember that the holiday was established to honor those who died in the bloody conflicts of the Civil War, and continues to serve as a day of remembrance for fallen American soldiers. Here's a look at some little-known facts about everyone's favorite summer kickoff holiday.

- 1. It was originally called Decoration Day because of the practice of decorating soldier's graves with flowers and was officially changed to Memorial Day in 1880.
2. In 1988, 2500 motorcyclists road into Washington DC for the first Rolling Thunder Rally to draw attention to Vietnam Soldiers --- MIA & POW. Today the tradition continues with over 500,000 bikers in participation!
3. In 1915 the custom of wearing red poppies started through the inspiration of a poem "In Flanders Fields," by Moira Michael...
"We Cherish Too, The Poppy Red That Grows On Fields Where Valor Led, It Seems To Signal To The Skies That Blood Of Heroes Never Dies."

Enjoy some R&R with friends and family this summer season and experiment with a new adult beverage. Try a new refreshing spin on an old favorite that everyone will enjoy!
