

Providing facility solutions since 1992

When it comes to facilities, we understand your goals and the challenges you encounter along the way. Whether you need to solve a technical facility problem, incorporate your brand or mission into your space, or create a space to show employee appreciation, our team works with you, within your budget. **Here are Karen's 4th quarter facility management solutions:**

Employee Appreciation

Challenge: Design a [gym in a windowless warehouse](#) for a Chestnut Ridge, NY pharmaceutical company.

Solution: A warm, inviting gym for employee usage demonstrating employee appreciation by incorporating wellness into the workspace. What a perk!

Mission & Culture

Challenge: Provide more light & efficiency to the [NKBA Headquarters](#), while adding modern amenities and contemporary surroundings conducive to today's business practices.

Solution: Infused their strong brand throughout the space through accent walls, chair fabrics, and a custom-made entrance mat. Great use of biophilic design tool!

Technical Solutions

Challenge: Create an artful solution to the loud echo and noise bounce occurring within the CEO's private dining room at [Ferring Pharmaceutical](#).

Solution: Merino Wool Felt "treetop" pendants installed artfully - honoring their Scandinavian design - while also solving sound bounce!
