**TEAMPAR COLLECTS THOUSANDS OF TOYS TO BENEFIT  
JERSEY BATTERED WOMEN'S SHELTER**  
This Year Marks 19 Years of Charitable Giving

**FLANDERS, N.J.** –TeamPAR has once again sponsored a holiday toy drive to benefit JBWS. In its 19<sup>th</sup> year, this year's Annual Toy Drive brought in enough toys to fill dozens of Santa-sized sacks and many large boxes, with more than \$1800 worth of gift cards and cash donations.

The donations will support as many as 500 children and more than 200 families through the shelter's holiday boutique, where mothers and grandmothers can select between three and six items for each of their children, and even leave the shop with gift cards and wrapping paper in hand.

According to JBWS, TeamPAR's haul included one toy kitchen, seven ride-ons, nine razor scooters, 12 bicycles and dozens of balls, dolls, toy cars, action figures and Legos. In addition to toys and monetary contributions, donations also included electronics, such as wireless speakers, headphones and Leap Frog/V-Techs.

"For 19 years, the initiative has brought immeasurable joy to the children and families served by the shelter, and we are honored to contribute in such a profound way," said Karen Rossilli-Kiefer, TeamPAR president. "Our toy drive would not be possible without the dozens of 'Selfless Elves' who continue to step up to support children in need. We are proud to be among this group of organizations who act in the spirit of giving during the holiday season."
